SISTEMA GOLA
SYSTEME GORGE
GROOVE SYSTEM

Massi monolitiche e altezze solenni ottenute su volumi lineari: ergonomie e comfort aumentati, una spazialità dilatata, un equilibrio maestoso dosato con forme pure, materiali nobili e contemporanei.

Masses monolithiques et hauteurs solennelles obtenues sur des volumes linéaires : ergonomie et confort accrues, une spatialité élargie, un équilibre majestueux dosé de formes pures, de matériaux nobles et contemporains.

Monolithic masses and solemn heights obtained on linear volumes: increased ergonomics and comfort, an expanded spatiality, a majestic balance dosed with pure shapes, noble and contemporary materials.

LUCE / TRASPARENZE / PIANI LINEARI

Essenze naturali, finiture tecniche, geometrie minimali e generose:
il ritmo libero del vivere contemporaneo

LUMIÈRE / TRANSPARENCE / PLANS LINÉAIRES

Essences naturelles, finitions techniques, géométries minimales et générées :
le rythme libre de la vie contemporaine.

LIGHT / TRANSPARENCIES / LINEAR PLANS

Natural essences, technical finishes, minimal and generous geometries:
the free rhythm of contemporary living.

Spazio e materia / Dalle ante con effetti speciali alle dogate, dalle melaminiche fino alle materiche e ai laminati fenix: il concetto tradizionale di decorazione svanisce in favore di un'armonia assoluta, espressa con un sistema di grandi masse organiche e funzionali.

Espace et matière / Des portes à effets spéciaux aux cannelures, du mélaminé aux matériaux et aux stratifiés fenix : le concept traditionnel de décoration s'efface au profit d'une harmonie absolue, exprimée avec un système de grandes masses organiques et fonctionnelles.

Space and matter / From doors with special effects to slats, from melamine to materic and fenix laminates: the traditional concept of decoration vanishes in favor of absolute harmony, expressed with a system of large organic and functional masses.

A wide-angle photograph of a rural landscape. In the foreground, there's a field of tall, golden-brown grass or grain. Beyond it, several fields are visible, some with dark green crops and others with lighter, harvested areas. A line of trees marks the boundary between the fields and the base of a hill. The hillside itself is covered in green vegetation and shows signs of agricultural activity. In the background, a range of mountains is visible, their peaks partially obscured by thick, white clouds. The sky is filled with various shades of gray and white, suggesting an overcast day.

An aerial photograph capturing a coastal scene from above. On the left, a rocky shoreline extends into the frame, featuring large, irregular stones and a small, weathered wooden structure. The water is a dark, textured brown, with white-capped waves crashing against the rocks. A large flock of seagulls is scattered across the water, some flying low and others perched on the shore. The right side of the image shows a green, grassy area where more birds are flying. The overall composition is a dynamic study of natural elements and their interaction.
